

File requirements and File transfer info

In order to handle data files fast and in a secure way, we prefer the following routines:

Primarily we want:

- PDF-files created with high resolution data and embedded fonts
- TIF or EPS files if fonts and images are embedded
- Total colour amount should not exceed 296%
- Black text only in 100% black, not in 4 colour

File transfer:

E-mail: pelle.sellgren@atta45.se

Web: <http://www.atta45.se/hamta-lamna>

Lämna material till tryck:
